1. After we received your memorandum on the above subject, dated 25 March 1954, [] told us that he will not accept compensation for serving on the CEIR Research Advisory Board, as he wishes to avoid any possible criticism. It is therefore not necessary to decide whether or not he could legally accept such compensation.

2. We have also been informed that the Board will meet at times other than CIA working hours. There is therefore no legal objection to [] serving as a member of the Board without compensation.
